Re: **MUR 7131**
Our File No.: SVC3435.001

Dear Ms. Rawls:

On September 13, 2016, we received the notification letter from Jeff S. Jordan of your office dated and postmarked on September 1, 2016, regarding the complaint received in MUR 7131. We are in the process of reviewing the facts and allegations raised by the complaint. We intend to file a written response demonstrating that no action should be taken against our office in this action. However, since we did not receive our copy of the complaint until September 13th, and because this matter also involves our client, we believe that good cause exists to grant an extension to allow us time to fully review the facts and circumstances of this matter before responding. We therefore request a 30-day extension of time to respond by October 28, 2016.

We appreciate your courtesy and cooperation in considering this request for an extension. We look forward to your prompt response.

Sincerely,

Stephen J. Kaufman
